With convenient traffic, the restaurant holds a high-end environment, but quite noisy because a wedding ceremony was being held in the hall. Impressed by its delicate decoration and grand appearance though, we had to wait for a while at weekends. However, considering its price level, the taste is just so so. We ordered the Kung Pao Prawn, the taste was acceptable and the serving size is enough, but the shrimp is not so fresh. In terms of service, you could not expect too much due to the massive customers there. By the way, the free-served fruit cup was nice. Generally speaking, it was a typical wedding banquet restaurant rather than a comfortable place to date with friends.		Convenient Transportation(交通方便)	1	Discount (折扣力度)	-

交通还挺方便的,环境看起来很高大上的样子,但是因为主厅在举办婚礼非常混乱,特别吵感觉,但是装修的还不错,感觉很精致的装修,门面很气派,周末去的时候还需要等位。味道的话我觉得还可以但是跟价格比起来就很一般了,性价比挺低的,为了去吃宫保虾球的,但是我觉得也就那样吧虾不是特别新鲜,不过虾球很大,味道还行。服务的话由于人很多所以也顾不过来上菜的速度不快,但是有選水果杯还挺好吃的。总之就是典型的婚宴餐厅不是适合普通朋友吃饭的地方了。。。。		Parking Convenience (停车方便)	-	Serving Size (分量)	1

In the winter of 2013, I came to this restaurant once. What a bad experience! it held a terrible environment. I would never try it again I thought. Recently, I visited my relatives and came to the same restaurant they chose, I fell like it's a totally brand new restaurant, its dedicated decoration and spacious furnished tables were impressive. So good flavor every dish was, especially Beef Short Ribs, which were almost finished by myself, and even won full praise from my picky mother-in-law. The only drawback was its low serving efficiency. After experiencing this New Nan Hua restaurant, I felt so regretful to take my parents to the branched one in Hongkou district in May of 2014, which was the worst restaurant we had visited. Now, I really applause for the improvement of this restaurant and I even have a brave to try their Hongkou branch one more time. By the way, I was so impressed by the great taste of Beef Short Ribs in another branch restaurant at Yishan Road.	4-star	Convenient Transportation(交通方便)	-	Discount (折扣力度)	-

2013年冬天来吃了一次,当时那叫一个难吃啊,各种抱怨,环境也很糟糕,想的是再也不要去了。最近去亲戚家,亲戚家在这附近,定好饭店在这里,再来居然觉得像是换了一家店,装修 機精美,来子之间也宽敞了不少。菜个个都很好吃,尤其是牛仔骨,被我一个人吃光光了,哈 哈。挑剔的婆婆也赞不绝口,不过上菜速度有待提升下。想2014年5月常戒爸妈去吃的虹口那边的新南华,真是想想都对不起他们,有史以来吃过最难吃的饭店。这次特型不错,下父再去试试看虹口店是不是也有转变。PS: 2007年第一次吃新南华宜山路那家店的时候,就是被他家牛仔骨惊艳到呢。		Parking Convenience (停车方便)	-	Serving Size (分量)	-
